*"I've come to the conclusion that Keynote is definitely the best around. Your courses are always good and well organised.
The packs you give out are excellent and your speakers/course leaders really know what they're talking about.
Also you choose nice venues, the food's tasty and you look after us and treat us really well.
Back at work today refreshed and full of info to pass on to my colleagues. Thank you."
June 2009*

The Keynote National Conferences...

We are pleased to announce our programme of National Conferences for 2009/2010. These leading edge conferences will be practically focused, challenging, stimulating and informative, addressing highly relevant key questions and issues pertinent to the current educational developments affecting Head teachers and Senior Leaders.

Conference programmes balance thought-provoking, new thinking Keynote sessions with workshops, case studies, the student voice and professional acting group performances.

At the conferences you will be able to:

- ✓ Enjoy national and international keynote speakers
- ✓ Be stimulated and reinvigorated by real, practically focused workshops and case studies
- ✓ Engage with new thinking
- ✓ Enjoy networking opportunities
- ✓ Share experiences
- ✓ Inspire colleagues
- ✓ Enjoy creative performances by students and professional actors
