### Developing skills for the exams

10.05 – 11.30am

Our expert Geographers examine closely the key skills required to produce high level responses for A level Geography

- Recognising the importance of planning responses: expert guidance on how to make sure students pick up all of the available marks
- How to use the Assessment Objectives to guarantee high quality revision and exam performance
- Handling short answer questions – key advice to ensure success
- Planning and framing the extended writing questions, using example answers to demonstrate how to reach the top mark levels

Break

11.30 – 11.50am

### Changing Places and Coastal Landscapes

11.50 – 11.55pm

- An exploration of the key concepts and knowledge for Changing Places, including regeneration and place identity
- Taking a systems approach to understanding coasts and coastal landscapes
- Developing thinking with the specialised concepts – what are the examiners looking for?
- How to produce high quality answers on these topics and stand out from the rest

Lunch

11.55 – 2.00pm

### Global Governance, Water and Carbon

2.00 – 3.30pm

- The core themes in Global Governance: our examiners highlight the key issues and where students struggle in exams
- Back-to-basics: systems thinking in Water and Carbon for excellence
- Reflection – developing strategies to make revision effective, based on an understanding of the exam and specification requirements

### Final summary and close

3.30 – 3.40pm

- Question and answer opportunity with the examiners
- What to do after today to ensure success in exams

Lots of excellent advice – relevant points delivered clearly and helpfully. Great example answers which will be really useful.
