

TEACHER WEBINAR

PEARSON EDEXCEL GCSE PE: CHALLENGING YOUR MOST ABLE STUDENTS

Online: Tuesday 3 December 2019 4pm (1hr) | Online: Monday 10 February 2020 4pm (1hr)

FOCUS

This webinar is aimed at developing your knowledge on how to challenge high ability learners, including a review of your curriculum model, an insight into the exam papers and the questions most commonly designed to challenge higher ability students.

This webinar includes a set of notes which will be sent in advance for teachers to use with their students and which students will be able to use after the webinar to improve their examination revision.

This interactive webinar will provide you with:

- Examples of successful curriculum models and processes to ensure maximum chance of success
- Knowledge of how questions are designed in order to challenge the high ability learners
- The importance of critical thinking embedded into your lessons
- An understanding of how to structure responses to reach level 3 in AO3 answers.

PROGRAMME

4.00pm: **Introduction, welcome and sound check**

4.05pm: **Part 1: Examples of how to build a successful curriculum model**

- The early stages before GCSE
- How best to use your curriculum and non-curriculum time
- Structuring content delivery for each stage

4.25pm: **Common mistakes and identifying key words within the question**

- Understand common errors that students make but are easy to fix.
- See examples and work through common errors to ensure more marks are achieved

4.40pm: **Understanding how to structure extended answers, using good connections and developing a framework that examiners will expect to see**

- See and use examples of good structures to help write extended answers
- Understand the marking criteria so learners can structure their answer
- Applying your knowledge – what examiners expect to see

5.00pm: **Close**

WEBINAR LEADER

David Pryce

BENEFITS

- Access exam technique tips to support your students to achieve the very best results
- Gain exceptional understanding of the most challenging topics and questions for the able student
- Benefit from interactive activities based on exam content
- Focus on what makes top mark band evaluation answers – and pitfalls to avoid
- Best practice revision tips and guidance from an Edexcel expert
- A set of revision resources that will be sent in advance of the course that you will be able to use immediately to support your students

WHY SHOULD YOU BOOK A WEBINAR?

- ✓ **Get focused feedback** on the most important areas for improvement for 2020
- ✓ **Take away new approaches** to tackling specific challenging topics that take a different angle
- ✓ **Gain new techniques** for enhancing the performance of specific groups of students
