WHY SHOULD YOU BOOK A STUDENT WEBINAR?

- ✓ Give your students the edge to find out directly from examiners how to maximise their achievement potential
- ✓ Consolidate and deepen key knowledge essentials
- ✓ Listen to and discuss exemplar work
- ✓ Find out more about the key challenges and what the examiner is looking for in top quality work

DATE

Thursday 11 March 2021

Wednesday 28 April 2021

WEBINAR LEADER

Jean-Marc Lawton has taught Psychology for over 30 years and has a long history of producing high-attaining and well-motivated students. Jean-Marc has written many best-selling books on the subject and bases his own teaching around practically based learning experiences, such as provided by this webinar. Jean-Marc has also many years experience working as an examiner in senior positions for several exam boards and so is able to impart valuable guidance on how to [and how not to] write exam answers.

FOCUS POINTS

- Gain a developed understanding of key areas of Paper 2 topics
- Explore what examiners are looking for in top level answers
- Focus on content essential to the formation of top-level answers on Biopsychology and Psychological approaches
- Take away strategies for creating answers that access to top-band marks
- Look at example responses showing what examiners look for and what to avoid
