

STUDENT WEBINAR

NEW: AQA GCSE PE: DEVELOPING EXAM TECHNIQUE IN YEAR 11

FOCUS

This new webinar for Year 10 to 11 students of AQA GCSE PE will focus on exam techniques. It is designed to introduce techniques and strategies that will help students to answer the 6 and 9 mark questions using a logical and structured approach. Discussions will be based on how to navigate the complexities of the assessment criteria and how to understand what the examiner is expecting to see to be able to award a good mark. The webinar will focus on a logical approach to answering exam questions using scaffolding as a method for constructing your answers. The webinar will cover topics from across the specification in both paper 1 and paper 2

The webinar is interactive, there will be tasks, activities, work set, opportunities for students to ask questions throughout. There will also be course notes for the students

A key important point for all the students is that the webinar will be led by current expert examiners.

PROGRAMME

Welcome and Introduction. The importance of context.

TIME

DATE

Wednesday 07 October 2020

Wednesday 18 November 2020

WEBINAR LEADER

Carl Atherton is an experienced A level practitioner having been Head of Department in a successful sixth form college for 26 years. He now works as an educational consultant, presenting courses for students and teachers. As an author, Carl has co-written the text book for AQA A level PE. He is an examiner for one of the A level PE exam boards.

WHO SHOULD ATTEND?

- All students taking AQA A-level PE

FOCUS POINTS

- Learn how to help students tackle the demands of the command words
- Develop excellent exam technique using scaffolding
- Introduce analysis and evaluation targeted at the extended questions
- Develop strategies for teaching some of the newer topics on paper 2

WHY SHOULD YOU BOOK A STUDENT WEBINAR?

- ✓ Give your students the edge to find out directly from examiners how to maximise their achievement potential
- ✓ Consolidate and deepen key knowledge essentials
- ✓ Listen to and discuss exemplar work
- ✓ Find out more about the key challenges and what the examiner is looking for in top quality work
