

## TEACHER WEBINAR

# NEW: AQA A LEVEL PE YR 12: WAYS TO ENCOURAGE SYNOPTIC THINKING FOR THE EXTENDED QUESTIONS – TASKS, QUESTIONS AND INTERACTIVE ACTIVITIES

### FOCUS

Learn how to engage your students in activities that encourage 'synoptic thinking' in A Level Physical Education.

This webinar includes a set of notes which will be sent in advance for teachers to use with their students and which students will be able to use after the webinar to improve their synoptic approach to extended questions.

<ul style="list-style-type: none"> <li>Example answers to improve and benchmark marking from</li> </ul>	

### DATE

Wednesday 07 July 2021

### WEBINAR LEADER

**Ross Howitt** is Principal Moderator and Coursework Advisor for a major exam board. He has managed a strong team of teachers in one of the country's largest and most successful providers of A Level Physical Education and brings a wealth of experience to this course. Ross has a strong reputation for delivering focused and informative INSET courses and is a regular provider of articles and information to a number of educational periodicals. He provides educational consultancy in schools/ colleges around the country.

### BENEFITS

This interactive webinar will provide you with:

- A designated approach for your department to adopt, improving synoptic thinking
- Specific strategies to encourage students to think more synoptically and articulate synoptic AO3 answers
- A set of notes and activities that can be used by students studying at home
- Many examples of synoptic style questions and sample answers
- Particular focus on a wide variety of topics from the AQA A Level PE course

### WHY SHOULD YOU BOOK A TEACHER WEBINAR?

- ✓ **Get focused feedback** on the most important areas for improvement for 2021
- ✓ **Take away new approaches** to tackling specific challenging topics that take a different angle
- ✓ **Gain new techniques** for enhancing the performance of specific groups of students
- ✓ **Led by current examiners and academic experts**, giving the best possible advice
- ✓ **Interact and ask questions directly** to the examiner expert leading the webinar
