

ACHIEVING A AND A* IN A-LEVEL GERMAN

CODE 8726

ABOUT THIS COURSE

This new course is designed for all teachers of AQA A-Level German. The aim of the course is to help teachers fine-tune students' performances so that they can achieve the highest grades. The course will outline what is expected of high ability students and explore ways to build your teaching practice around this.

The course will demonstrate practical teaching and learning ideas and approaches for developing key skills and knowledge through which able students can enhance higher level skills.

We will analyse what is expected at the top end of the mark range and explore active strategies to build your teaching practice around this to effectively stretch and challenge students.

It will also provide guidance on effective revision strategies and examination techniques through which high achieving students can stand out and ensure that they succeed in the final examinations.
