GIVE YOUR STUDENTS A SPORTING CHANCE

With this comprehensive exam and skills focussed revision conference

ABOUT THIS CONFERENCE

A fully interactive day for students: the OCR A Level specification brought to life with subject experts, exam focus areas and activities. This conference will provide students with practical, engaging and motivational revision for the OCR A Level Physical Education examination. Throughout the day, students will work with examiners and practitioners with a focus on improving their grades.

- Gain first hand advice and guidance from subject experts that will enable students to really succeed in their exams
- How to produce what the examiners want - top tips in successfully approaching and answering the different types of exam question
- Exciting and interactive sessions, which boost student motivation and interest ahead of the assessments
- Gain enhanced knowledge and understanding of key topics
- Improved examination outcomes through a high-quality review of essential examination technique for A-level OCR PE
- Receive a comprehensive workbook to complete on the day - this will form an excellent part of your revision after the event

KEYNOTE SPEAKERS

Abigail Chadd has been teaching for over thirteen years and has taught in a range of sixth forms and colleges on varying exam boards. She has previously been an examiner and has a plethora of experience in individual tuition. Abigail's experience as both a teacher and examiner has enabled her to really understand the complexities of delivering highly stimulating content alongside essential exam technique. In both her teaching and tuition Abigail takes a very structured approach in preparing students for the summer examination and specialises in stretching and challenging the most able students.

Ross Howitt is a Senior Examiner, Principal Moderator and Coursework Advisor for a major examination board. He lectures at Edge Hill University and has managed one of the country's largest and most successful A level PE departments. He is the author and co-author of numerous textbooks and articles, including AQA A level PE Book 1 and AQA A level PE Book 2 (Hodder, 2016). He has worked with Premiership football clubs and is highly renowned PE training provider.
